Sheer filth, for the readers, from the readers...

BONK OF ENGLAND!

In my experience, hotels always provide plenty of opportunities for scoring some no-strings pussy, such as Claudia, whom I met during a recent business conference. She might have looked all stern and empowered in her executive suit, but I considered myself man enough to strip her of some of her assets. Since we worked for rival companies I suggested the privacy of my hotel room might be more discreet for some late-night 'insider trading.'

Claudia certainly had the magic touch, distracting me with a full-on kiss while checking my pockets for some hard currency. "Your stock is rising," she quipped as she pushed me down onto the bed, falling to her knees between my open legs.

"Yeah, suck it!" I growled as I watched Claudia's immaculately painted lips slide down my shaft. She might be a big noise in the boardroom, but I was going to show her who was boss in the bedroom. Grabbing her by the hair, I helped her get her face down on my capital asset until my entire portfolio was wedged in her throat. The long, sloppy blowjob that ensued took me to the brink of climax before she eventually withdrew.

"Awesome," Claudia hissed, as she kicked off her high heels and stripped down to her expensive lingerie.

"Awesome," I echoed as I watched her silk panties slide down her thighs and her tits tumble out of her push-up bra.

"Now give me that cock!" she demanded as she straddled my thighs, her hand seizing my hard-on and guiding it towards her empty moneybox. I felt her sink down onto my hardness, her swollen pussy lips enfolding my shaft like a velvet glove. The feel of a real woman impaled on my knob, a real woman who wanted only one thing.

Claudia began to ride my rod with a vengeance, slamming her twat up and down, so that just when my cockhead rammed the far wall of her cunt, her engorged clit would impact the base of my cock. She was on top and in charge, calibrating the rate of penetration, a sexual expert, who nevertheless was soon to lose control.

I squeezed her stiff nipples between my fingers as I looked into her eyes, her face contorted as her climax began to crescendo. Grimacing with each grunt and groan, Claudia's pelvis went into spasm, and her orgasm erupted. It was a little bit scary seeing a confident career woman reduced to a slobbering wreck, but nothing could withstand her big bang for long, and as my hips bucked rapidly, I deposited

my investment deep inside her vault.

"Paid with interest," Claudia panted as we lay together. Shortly she got up to fix herself a drink from the mini-bar, and then suggested we switch on the hotel porn channel. So we lay on the bed watching two sluts and a bloke get it on. Claudia began to touch herself, her fingers absently caressing her fanny, and when she let out a sigh, she reached for my hand, and guided it between her thighs while her other hand began to stroke my reawakening cock.

"Eat me out," she implored huskily, then turned around and straddled my chest, lowering her arse down onto my face. Her pussy was pungent with our earlier exertions, and her cream soon coated my tongue as I licked down from her clit into her juicy vulva. I could have happily died there, smothered beneath her arse, but Claudia was already busy giving my dick the kiss of life. Our stifled moans mingled with the groans coming from the TV.

"How do you want me?" was not something I'd have expected to hear from this control freak, but, always willing to cooperate with market research, I told her I wanted her from behind, doggie-style. I wanted to see her curvy arse punctuated by her brown eye, which was gleaming with a trickle of my fugitive spunk. I wanted to hear her bum slap against my belly as I pumped her hard and fast; hear her whimper into the pillow as her eyes followed the porno movie. I wanted her so absolutely fucked that in the morning she'd forget to wear any knickers and not even notice the spunk stains on her business suit, because life is a casino, and the stakes are high, and business is all about getting what you want, and nothing else matters but the game.

Is US porn star Sarah Vandella missing any part of the complete package? We've looked hard, and we don't think so. Okay, she might be a bottle blonde, but who gives a fuck about that? So: blonde, big boobs (with skill nipples), perfect ruby red lips, peachy bum and a pink, inviting and perfectly shaved pussy. Yep, that's the complete package.

We'd like to report that she goes and ruins it all by being dumb or a lousy shag, but we can safely report that she's a Masters graduate and fucks like a champ. Come on, other women, raise your game!

EX-SEX!

When I broke up with my boyfriend Kurt I decided to go on holiday for a couple of weeks. I deliberately chose to go somewhere peaceful and quiet, so I'd get plenty of rest and relaxation before trying to get on with my everyday life as a single girl.

Kurt and I had been a pretty raunchy couple, and I had to admit I was missing his cock like crazy. On my first morning I woke up with the sunlight streaming in through the windows. I just lay there, enjoying the light and warmth, and the fact I could be as lazy as I wanted to be. But I kept thinking back to all the Sunday mornings – and afternoons – I'd spent in bed with Kurt, just cuddling up, talking and fucking, and when I trailed a finger in between my legs I felt how wet all these thoughts had made my pussy.

I started to stroke myself, using the lightest of touches to tease my pussy lips, then I gave my clit the same treatment. I cursed when I heard a knock, but decided I'd better answer it. I was surprised to see Kurt standing there, looking very awkward. He explained he'd been around at my place returning some of my stuff, and had seen the note I'd left my roommate, letting her know where I was staying in case of an emergency. He said he'd understand if I told him to get lost, but he had risked coming because he missed me. I said he had better come in for a cup of coffee. After about ten minutes the fact we were getting on so well, but were still both officially single, added a new frisson to our relationship.

"So there's nobody new?" said Kurt nervously.

I smiled, and held my fingers under his nose for him to sniff, as if to tell him that was all the sex I was getting now. They still smelled faintly of my pussy juices, and he took a deep whiff then sucked them into his mouth. As he sucked on them, I felt an electric tingle run up my spine, and I slipped the fingers of my other hand into my cunt. I wiggled them around inside, coating them with as much pussy juice as possible, then pulled them back out and offered them to Kurt. "Mmm!" he moaned as he licked them all over.

I went to put the fingers of my free hand into my pussy, but Kurt brushed them aside and started to finger me himself. I splayed my legs apart, gasping as his stimulation hit the spot – just like they always had done once he'd learned what turned me on. As he pistoned his fingers hard in and out of my hole, I bucked my hips, humping my cunt right down to the knuckles onto them, then I heard myself whispering, "Fuck me."

"If you're sure that's what you want," said Kurt, still finger-banging me. I just breathed a 'yes'. He pulled his fingers out of me and asked me again, and again I said, "Yes," grabbing his wrist and pulling his hand back in between my legs. He fingered me again, more slowly this time, then took his fingers back out and held them up for me to see how soaking wet my cunt was. Then we kissed around them, licking off the cunt cream, and frenching as Kurt slid his hand out from between our mouths.

Seeing the look of lust on Kurt's face as he sprung his cock out of his jeans, I was so glad he'd decided to come find me. To show him how glad, I bent over a kitchen counter – Kurt loves fucking me from behind. I felt him ease my panties down to my ankles, and so I reached back and spread my bum cheeks, pulling them wide apart so my tight arsehole was visible above my dripping pussy.

As Kurt started playing with my bum hole, I realised I hadn't brought any lubrication – I hadn't exactly planned on getting my behind banged on this holiday! Kurt's a big guy all over, and though I'd taken his meat in my backside more times than I could remember, I wasn't sure if I could take it unlubed. But Kurt, resourceful as ever, grabbed a bottle of olive oil from the counter and poured it onto the pucker of my arsehole. The oil felt thick and slippery, and I could hear little squelching noises as Kurt started working a handful of it over his shaft.

I breathed in deep as I felt his cock head press against my opening, and then exhaled as he shoved it slowly but firmly inside me. He fucked in and out a couple of times and then I felt my muscles really relax – loose enough to let him fuck in and out as fast as he wanted, but tight enough around his prick to stroke and squeeze it to a climax. Kurt's hands were braced against my shoulders, so my tits were squished against the counter, my hardened nipples sliding across the smooth surface. Then Kurt dropped one hand down and reached around to play with my clit, rolling it between his outstretched fingers and rubbing his thumb over the top of my fleshy nub. I squealed and bucked and then, just as he'd known I would, I came.

Kurt's balls had been slapping up against my bum cheeks, and when I felt them bunch up I knew he'd soon be coming too. Sure enough his body shuddered and I felt his hot spunk squirt out high inside my bum hole. As he pulled back I felt it run out again, and Kurt knelt down and massaged the oily spunky mix into my cheeks.

In the bath together later that night, we kissed and talked things over. Now we were away from civilisation it was easier to be objective. We decided to give things one last try, and I'm pleased to say it's working out fine so far – and the sex is even wilder now we both know what we nearly lost.

NEIGHBOURHOOD CROTCH!

When I moved here a couple of months back, I was pleased to discover that the house next door to mine was shared by three gorgeous blokes. For a long time I never got to do more than say a quick hello to them, but they inspired some very hot frig sessions.

One night, as I left our local after a girls' night out, I bumped into one of my neighbours, Craig, in the street. He said we might as well walk home together. I'd drunk enough to break down any inhibitions I might have had, and as we chatted I didn't so much flirt with him as talk dirty. When we got near to where we lived, I suggested we take a detour.

Craig must have known as well as I did that the alley I led him down was a dead-end not a short-cut, with a high chainlink fence at the far end. When I reached it I stopped, then turned to face Craig. Right from the start our kissing was deep and urgent, with Craig ploughing his tongue in and out of my mouth with a fucking motion. I pulled him closer and started rubbing my body against his, then he slid one of his legs in between mine.

Though my skirt was short, I wasn't wearing knickers underneath it, and I

We don't always plan these things, but when we do, we've got a habit of coming up trumps. But then again, it's hardly rocket science, is it? Today's plan: a platinum blonde, a sultry brunette and a bed. You can see what we were thinking, can't you?

And lo it came to pass that Vera and Natali put aside their differences (er, hair colour) and spent the day engaged in intimate body cavity searches using only fingers and tongues. We love it when a plan comes together...

GUEST
STARRING

Looking back on the these classic mid-era Jo Guest pictures, we can only imagine that someone had the bright idea of making it look like they were taken by a stalker. As that person might have been legendary snapper Steve Colby – responsible for tons of top notch glamour and the highpoints of Jo's storied career – we'll let him off.

We're not sure we can be so charitable about letting famed Gooner Jo sneak her latest issue of *Arsenal Magazine* onto the set though. 8-2, that's all we're saying about that, Jo...

When Team *MensWorld* play poker, we usually get drunk, forget the order of the hands and eat a big load of ham. Sheila and Donna haven't even got a ham by the look of it, but they've clearly got a better idea of what makes a fun evening.

The cards are forgotten, the chips are down, but they're swarming all over each other's top cunts. We can't help but think any man who walks into that room will be in titwank heaven, but in the meanwhile they're getting on just fine on their own, ham or no ham...

No, we didn't photograph Crystal on the set of *CSI*, although she does hail from Las Vegas. So, how is life out in the desert?

"It's great, thanks," the Nevadan hottie says. "Sunshine, 24 hour gambling and lots of tourists for me to have fun with."

Are you taking advantage of people who've had bad fortune at the card tables?

"On the contrary. I'm not the kind of girl who cares about money and rich guys. I like to play blackjack and get talking to people from all over the world, learn about different cultures. And if there's a handsome stud who happens to blow his stack at the table, I might cheer him up by taking him home and letting him blow his load all over me!"

PHOTOGRAPHY: APD NUDES

Amy invites us to bear witness to her bathtime regime and, we're sorry to report, it's a hygiene nightmare. We didn't see any soap, no loofahs were in operation and we won't even get started on the exfoliation... or lack thereof. But we did see a really sexy girl playing with her juicy pussy, fingering herself to an orgasm and sucking her fingers clean. Take that, bathtime!

Young Harlots Carnal Education (Harmony)

Obviously the Young Harlots Academy is one of those free schools being set up by pricks around the nation, with proper lessons taken off the syllabus and replaced by shitloads of fucking. This isn't the best cast they've ever mustered for an episode of this brilliant series, but there's still cock candy enough. Shay Hendrix is among the errant students who are quick to discard their uniforms (shame, they're rather nice) and get their shaven snizzes plugged. £9000 a year in tuition fees looks a bargain.

Grindhouse XXX (Adam & Eve)

The levels of postmodernism are getting hard to follow. A mock trailer becomes a real film becomes a porn parody? Whatever, Adam & Eve have stumped up the big bucks for this two part box-set, with *Student Assassin* and *Massacre at Pine Lake* being the non-existent B-movies being sent up. Teagan stars in the former, Alexis Ford in the latter, and when they're not stinking up the screen with their acting (fittingly, for once, given the genre they're parodying), they're being joined by Nina Mercedez, Britney Amber, Briana Blair, Andy San Dimas and more to do some sex.

A lot of adult companies seem to have slowed down and retrenched during the financial crises affecting the world. But that doesn't seem to have bothered Digital Playground too much. They're not releasing as many of their gonzo lines as they used to, and some seem to have been retired, but they're still pumping out features like crazy. And why not when you've got a stable of contract girls the envy of the world? Whether you care for the plot here or not – and it's slender, obviously – you can't argue with Selena Rose, Riley Steele and Kayden Kross getting their bone on with Robby D at the directorial helm. It's glossy sex that you need in your life.

Rocky XXX (Adam & Eve)

Really? It took this long? After damn near every major film franchise has already been pillaged in the name of XXX parodies, it took until 2011 to get round to *Rocky*? Oh well, it's worth the wait to see Mr Marcus' wig as he plays Apollo Creed, while Anthony Rosano goes all mush-mouthed as our hero. And there's no doubt that Andy San Dimas is a lot fitter, dirtier and sexier than the original Adrian. Here be Clubber Lang, an aged trainer, but with the added benefit of the likes of Madison Ivy and Vanessa Naughty. Knockout.

BLACK BY DEMAND

It's black poles in white holes all the way as Emma Edwards joins Alexander Devoe on the set of another masterpiece...

Rico the Destroyer 2

Starring: Rico Strong, Kelly Divine, Juelz Ventura, Shyla Stylez, Sophie Dee, Missy Woods, Velicity Von.

Directed By: Alexander DeVoe.

Available From: Alexander DeVoe Productions.

In the popular world of interracial pornography, there is one name that consistently stands out amongst the pack, and rightfully so. That name belongs to Alexander DeVoe, a heavily awarded director who recently seized coveted awards for his ethnic themed excellence at the recent 2010 AVN Awards Show in Las Vegas.

A verified master at creating sexual build up and a palpable crescendo through his lens, DeVoe pushes the limits of sexual boundaries and consistently delivers what IR fans crave. Watching his sexual creations unfold is more like being a participant in a special event, rather than being an outsider looking in. With a profound attention to detail and an uncanny talent for pulling out the very best in his performers, DeVoe has granted us ringside seats into watching another one of his epic tales unfold.

Again joined by performer extraordinaire, Rico Strong, both men set out to turn the porn world upside down with *Rico the Destroyer 2*. This highly anticipated sequel promises to be even hotter and more daring than the first, rendering this girl's panties all bunched up.

Hot with anticipation, the first scene of the day starring Sophie Dee and Rico is already underway. Sprawled out in a chair with a corded clit wand hanging from the ceiling, Sophie is hard at work squirting her gash gush all over the basement floor. With streams that shoot out five feet from her pussy, cast and crew are forced to move back or else suffer the victimization of Sophie's soaking. DeVoe, the man behind the lens, sets in closer. He's eager to show just how wet this bitch can get. "Keep those legs open," he whispers from behind the camera, as Sophie surprises us by pulling a toy out of her ass.

As the last sprays of her juice are loose, Rico enters the scene and silences her moans by sticking his thirteen-inch cock into her mouth. She sucks his jumbo rod and uses tons of slobber until his jeans are soaking wet.

"Stuff that fucking thing down my neck," she insistently begs before being spun around on a chair to take his heat up her ass. Slipping right in with minimal effort it is obvious that Rico is not dealing with some amateur asshole. Instead, Sophie's ass rises to the occasion and is soon

"RICO SILENCES HER STICKING HIS 13 INCH COCK IN HER MOUTH"

rimmed with frothy cream. "I think my butt likes you," she responds as the anal frosting billows down her legs.

Once his cock resurfaces from the depths of her anus, Sophie is quick to stick it in between her tits where an awesome titty fucking session ensues. Although this lasts for a long while, Rico proves to be more of an ass man when he goes diggin' in her gape once again. After several more positions, Sophie's ass milks the cum right from Rico's rod, ending with an anal cream pie finish.

In the next sequence, Rico reveals what he covets most of all when he opens up a wooden chest to reveal Shyla Stylez tied up inside. Bound by the wrists, ankles, and mouth, Rico tinkers and teases Shyla before setting her free. All of her pented up frustrations bodes well for Rico, as she's eager to settle the score.

"Baby, why don't you untie me. Let me show you my skills," Shyla whimpers as the wrap around her mouth comes off and Shyla falls to her knees. With a big, black cock thumping across her forehead, Rico eases his snake into her face. Showing no sign of a gag reflex, Rico goes all the way down her throat with ease. In fact, when looking closely, I can actually see Shyla's neck rounded out with cock!

After having Shyla crawl around the dirty floor for a while, Rico summons her pussy to the cause. With wide spread legs and a saucy slit, Rico rests Shyla's foot on a staircase and experiences her pussy in standing doggie position. "Get it baby. Get it!" she cries out, as her fingernails clinch into the wood railing. In time, Rico ceases to hump as Shyla takes control by moving her own body back into his.

After trying out her vag in a few more positions, Rico takes a seat on a metal chair and arranges Shyla's asshole on his cock in pole position. Instead of riding him out, Shyla just holds her butt flaps open and lets Rico do all the work from underneath. "Don't you fucking move," he warns repeatedly, as he has her right where he wants her.

From here on out, Shyla's ass is rearranged and pounded like never before! She takes all Rico has to give and even gives him some of her own medicine. When both actors appear to be spent and on the brink of death, Rico pulls out of Shyla's ass and spills his load across her tongue. Very frickin' hot!

The dark story continues to unfold in the next scene when Velicity Von sits alone in a dark room with a black hood over her face. Rico emerges onto the scene in medical overalls and latex gloves to examine his catch. She remains silent through his odd inspection of her holes and only moans ever so slightly when he pinches her pussy lips together like a taco.

While still in loose restraints, Rico pulls out a glass dildo and begins to prep her holes for the black pounding that is moments away. Her pussy takes the toy with ease, and is later streaming with syrup. Apparently, she's way into this kinky sexual display.

With lots of moaning and eyes wide open, Rico lifts up her black hood just enough to reveal her pretty mouth. We only get to see it for a split second before it is filled with cock and pooling with saliva. "Shit, shit, shit!" is all he can say as her hands come free and begin to explore the ridges of his cock. From here on out, Velicity is on fire! She commits mind, body, and soul to deliver a remarkable blowjob that has the room silenced.

After crazy amounts of oral play, Velicity is folded in half over a metal stool. With her knees pressed up by her ears, Rico decides to take her pussy out for a test drive first. He rams himself

“SHYLA'S ASS IS REARRANGED AND POUNDED LIKE NEVER BEFORE”

into her hard, nearly pushing her off the stool on several occasions. Using the weight of her stomach as an anchor, Velicity holds on and continues to take it. “Don’t you fucking stop,” she screams, as her face begins to redden and contort into hot, orgasmic shapes.

After coming a few more times, Rico lies on the floor and has Velicity jump on his lap in reverse cowgirl position. With her perfect tits facing the camera, and a white ass being milled by a black cock, Velicity finds her second wind and goes for broke. Proving to be ready for everything that Rico throws her way, Velicity takes it hard like a good fucking slut!

In a glass blowing facility set in the bowels of downtown Los Angeles, Rico has Juelz Ventura tied up to a metal rack. He kisses and tries to worship her tied up body while she openly expresses her discontent. “Get your dirty fucking mouth off me!” she screams, as the sound of the machines drown out her anger.

Although she wiggles and squirms and tries to remain uninterested, he is rubbing and sucking her the right way. Soon, her rage softens and is replaced by moans. Now in a more agreeable manner, Juelz begins to cream herself once Rico starts to toy with her twat with a glass stick. “I knew you’d like it,” he says, while licking her cooze butter from the stick.

> “THE BLOWJOB IS RED HOT AND IS MADE BETTER WITH TONS OF SPIT”

With her head now dangling down from the rack, Rico sticks his cock in her mouth. This upside blowjob is incredibly hot and is soon made better with tons of spit that cascade down Juelz’s nose, eyes, and forehead. “Be a good girl and open up wider,” Rico again commands, with a mission for her to go balls deep. She happily complies, although she comes up a few inches short of victory.

Once her legs are cut free, Juelz willingly crawls over to Rico to be serviced the right way. “I knew you’d come around,” he smiles, while she decorates his cock with more saliva stringers and webbed fingers. As the two sexually progress, Rico plugs Juelz’s pussy with his chocolate thunder by bending her over the cart to take ownership of her pussy in standing doggie. Filled with plenty of cream, Juelz’s pussy begins to leak its contents onto Rico’s cock like a custard-filled donut. He doesn’t mind the gooey mess however, as he refers to the slippery slide on several occasions.

Juelz is later fucked across the workspace and is used up in every position Rico can contort her young body into. Although Juelz

is the only one who doesn't commit her ass to the project, her vaginal skills prove to be top-notch and the anal isn't missed.

Missy Woods, an incredibly good-looking blonde is later found being double stuffed by Rico before the movie ends. Kelly Divine, a very notable inclusion, also comes out to play in a scene that is being presented as a bonus. What transpires are two more rounds of heart thumping interracial sex that really help to make this release one of DeVoe's hottest commodities to date.

Helmed by an extraordinary creator, and brought to life by stellar girls and the impeccable style of Rico Strong, Rico the Destroyer 2 has perfectly demonstrated what interracial sex ought to look like. The bar has been raised, check it out to see the new gold standard.

wondered how long it would be before he felt my cunt juices soaking into the leg of his trousers. Just thinking about it got me even wetter, and then Craig eased his hand in between my thighs. I felt him jump in surprise as it made contact with my shaved cunt lips, but then he started to pump his fingers in and out of me, circling the flat of his hand against my clit at the same time.

After just a couple of minutes of this I was clinging onto the fence, clenching my fists tight around the thick wire, concentrating on the intense pleasure I was feeling. Then Craig slowed right down, idly stroking my cunt to keep me on the boil as he took out his cock and started to wank it. He inched forward and spread my wet lips open with his fingers as he guided it inside of my hole.

He fucked me urgently, almost raising me up off the ground as he slammed into me. The fence rattled as we pounded against it, and I buried my face in his shoulder to muffle my moans of pleasure as my orgasm finally hit. That set Craig off coming and he leaned all his weight against me, plunging his prick up to the balls as he shot his load.

When we got home, Craig invited me in for a nightcap. I accepted, secretly hoping I'd get the chance to introduce myself properly to his housemates, Lee and Kevin. From the smart remarks they made as I soon as I walked in with Craig – and from what amounted to a confession from Lee – I soon realised that I was the object of quite a few of their fuck fantasies. I wasn't offended, and as I felt Craig's hand trail up my leg and slide in between my thighs again, I admitted to them that the feeling was mutual.

I lay back and splayed my legs even wider, as Craig spread my swollen fuck lips to reveal my wet hole. Then Kevin took over, sinking his face into my crotch. He licked my mound and lips all over, then inched his tongue inside me, feeling how sensitive I was. Lee straddled my face so I could lick and suck his balls, then he turned around so he could fuck my mouth.

Craig watched, wanking himself as his mates took their turn. Kevin ate my cunt, setting the pace at which I sucked Lee's cock. He'd slow down and rasp his tongue over my clit, then switch to sucking it hard and fast. My mouth began to water as the first drop of Lee's salty pre-cum spread out over my tongue, followed minutes later by a blast of spunk.

Kevin straightened up, fumbled his flies open, then yanked down his jeans and pants. His cock sprang out as hard as a pole, already dribbling moisture from its tip. He knelt between my thighs and raised my legs up over his shoulders. I shut my eyes

and braced myself to feel him ram his prick deep into my cunt, but instead he just slipped a couple of fingers in me. This forced the juices out of my pussy, and as they trickled down my crack, he pulled his fingers back out and rubbed them around my arsehole. I breathed in as I felt him touch the tips of his fingers to my anal opening, and then I breathed out, relaxing my body as he slid them both down to the knuckles.

He rolled me over so I was lying on my side with my legs drawn up and then, he slid his prick into my cunt, which felt like it was twice as tight as usual.

Soon he was fucking my cunt and fingering my bum – total stimulation! It felt so good that I almost forgot about Craig, and then I saw him kneeling in front of me, pumping away at his prick. I opened my mouth and wiggled my tongue, inviting him to slip it in, but he seemed determined to keep on wanking it. Then he reached out and stroked my nipples. I twisted my upper body a little, then squashed my boobs together with my hands. He aimed his cock at them and wanked it furiously, just two or three times, which was enough to set him off coming. A load of creamy spunk splattered all over my tits. Then Kevin emptied his load into my cunt. Now we always find the time for sex together!

When evolution was busy creating porn stars over hundreds of millions of years, it would reach a culmination in Canadian fuckstress Shyla Stylez. Blonde, big boobs, buxom in exactly the right way and barely gets her fuck on without saying, “Can you stick that fat dick in my tight little bum, please?” She’s caught so many loads on their boobs they are famously silky smooth and her elastic pussy is legendarily tight. Not that we know first hand – we’re employed to write stuff like this, not to roadtest the girls. Cheers, evolution.
